RÉMY FERBRAS

AOP CÔTES-DU-RHÔNE ROSÉ

Region

Southern Rhone Valley - France

Soils

Alluvial terraces composed of limestones gravels.

Grape Varieties

Grenache - Syrah

Harvest & vinification

The grapes are directly pressed. Settling and low temperature alcoholic fermentation in order to preserve the fresh fruitiness of the wine.

Blending of the wines and bottling.

Tasting

A brilliant salmon colour.

A delicate and mineral red berries nose of strawberry and raspberries.

In the mouth, the forthright and fresh attack gives a way to a slight fitness that balance the wine.

Wine & food matching

A fine choice for barbecues and Mediterranean cuisine.

Serve at 10-12°C

Enjoy within 2 years.

R. Ferbras

S.A. LES GRANDES SERRES

430, Route de l'Isilon Saint-Luc B.P. 17 - 84250 Châteauneuf Du Pape.
